Christine,

Happy New Year!

I want to commend you and Dave on your continued commitment and unrelenting effort to identify a suitable living arrangement for not only Schuyler, but also others who would greatly benefit from a safe and secure community-based housing solution. Not only have you and Dave compiled one of the most well run organizations I have ever come across, your ability to inspire and motivate others to join your cause is infectious.

I wish you and Dave all of the best in your continued efforts, and ask that you do not hesitate to contact me in the event I, or my company, can be of any assistance.

Best,

Matt Pettinelli
President/CEO
